

# Career Exploration Adventure

**Are you a student in high school with a developmental disability and undecided of what career path you might want to pursue?**

*Come explore a variety of career options and develop professional skills with this exciting employment adventure.*

## **What You Will Learn:**

### *In The Community Learning*

- Explore career interests (participate in daily trips to tour local businesses to see what career options are out there and hear from industry professionals)

### *In Classroom Learning*

- Learn and develop essential workplace skills
  - Interviewing, first impressions, winning resumes and marketing yourself
- Create a customized career plan to help you get on track!
