

Open your internet browser and type [www.magnusmode.com](http://www.magnusmode.com) into the address bar.

Click the "Login" button in the top right-hand corner of the page.

You can type in your email and password and click, "Login" if you already have an account. If not, click the blue "Join" button.

Get Cards  

My Cards  

Create Cards  

Once logged in, you will have three options: Get Cards, My Cards, and Create Cards. "Get Cards" lets you view cards created by Magnusmode and the MagnusCards community. "My Cards" lets you view the Cards that you have created. "Create Cards" let you create your own cards that will show up in "My Cards."

Search all MagnusCards:

To create a Card Deck, click on "Create Cards" in the top menu. Follow the instructions on screen to choose the category and Card Type, and type in a title. You can click on the camera icon to upload a photo or drag and drop it from your computer. Click on "Description" to start typing the instruction for the step. Click the red, "Next" button for the next step. When finished, click, "Publish." After clicking "publish," the Card Deck will be available in "My Cards" and in the category you select during creation.
