

2020 Spring Workshops

April 1/2 & April 8/9

Made by *Mavericks*

Barista Workshop for Persons with Developmental Disabilities

Made by Mavericks is a barista training workshop created especially for persons with developmental disabilities. This comprehensive and intensive, two-day workshop will introduce people to the fascinating art of coffee preparation.

Learn the basics, science of coffee, dosing techniques, brew ratios, how to operate and use the brewer and steamer safely, milk texturing, pouring techniques and more. At the end of the class, the student should be able to pull the perfect café style beverage. A comprehensive training booklet and online video tutorials are provided to help you both during and after the workshop.

Contact us for more information on how to register.
