

WEARING A MASK

A Social Story for wearing a mask in public

It is important that we wear masks to keep ourselves and other people safe when we go out in the community.

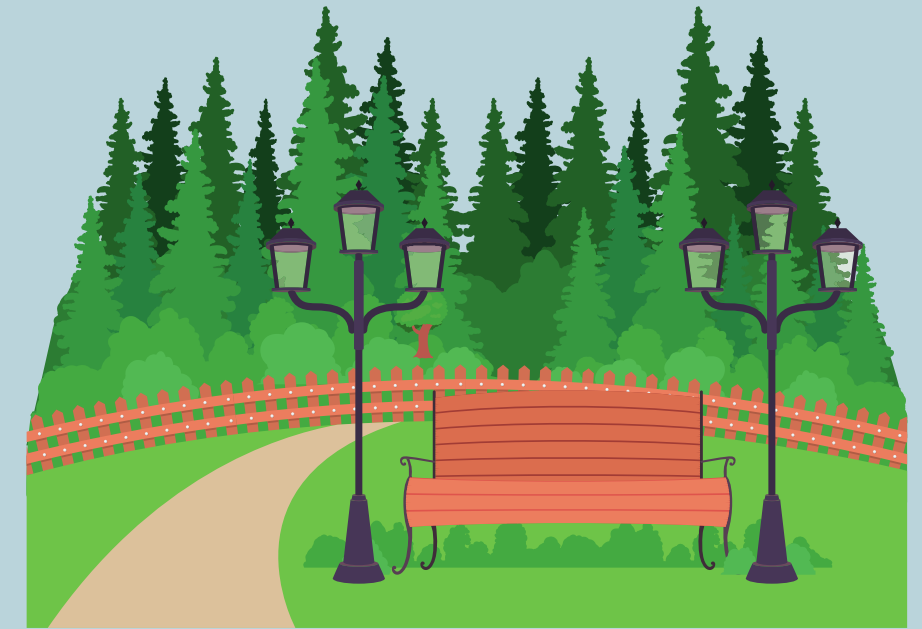

We have to wear a mask when in some public places. These places include; shopping centers, restaurants, grocery stores and at the doctor's office and many more.

There are also some places where it is O.K to not wear a mask.

We don't have to wear a mask when we are walking outside, at a park, in our backyards and many other outdoor places!

Remember to wear a mask in public spaces and help keep everyone safe!
