

Art + Learning = **Growth**  
Art + Fun = **Friendship**  
Art + Connection = **Community**  
Art + You = **New Possibilities**

**At the Art+ Studio, we do it all!** From drawing and painting to drama, music, and movie making, participants fully explore the arts.

We also get out in the community, meeting with diverse artists to build connections - artist to artist!

We share our work with the community through shows, sales, and online, supporting **you** to be recognized as an artist!

### **Fee-for-service program**

**Our space isn't quite ready for an in-person launch!** In the meantime, we are offering virtual sessions on Fridays from October 8 to December 17, 2021. Contact us for details! Late enrollments possible, subject to availability.
