WHAT MAKES IT MEANINGFUL

Playing mini golf helps individuals to learn important lessons in sportsmanship, helps them gain experience in following rules and being considerate to others. It is also a good lesson in patience and cooperation. It also helps with eye-hand coordination, balance, problem solving, focus and decision making skills.

TIME

1-2 hours

MATERIALS

- Legos
- Ping-pong balls
- Plastic cups (8-10)
- PVC Pipe (large & small pieces)
- Hot glue
- Different colors of Paint

Lego Mini Golf

INSTRUCTIONS

1. Build tunnels using Legos and label each from 1-8/10
2. Cut a semi-circle at the top of each cups (one side). Use this for holes.
3. Glue small piece of PVC to larger piece to make it look like a golf club
4. Paint ping-pong balls with favourite color.

Step 1.

Step 2.

Step 3.
