Clay Pot Painting

INSTRUCTIONS

- Gather all materials for the activity,
- Paint the base of the clay the colour of your choices of this activity we are painting this one Red. As well as the saucer.
- Allow the paint to dry.
- Once the paint had dried paint two white circles at the top, let dry then add two small black circles to make the eyes.
- Make wings two wings at the front with black paint and black circles around the spots.
- Once dry add a layer of mod podge to the pot to seal it.

SUPPORTS NEEDED

Supports will vary depending on the individual's needs.

OTHER THINGS TO NOTE:

Once the pots are dried, add in soil and plants. Be sure to water the plants as needed to keep them alive and healthy.
