WHAT MAKES IT MEANINGFUL

This activity involves a community aspect, in which everyone contributes to a bundle of flowers. It introduces artists to the concept of blending and gradients.

TIME

This activity should take up to an hour.

MATERIALS

- Acrylic Paint Set (\$10)
- Paint brushes, one flat, one round.
- Scissors
- Pencil
- Eraser
- Cups
- Water

INSTRUCTIONS

1. Take a pencil and draw a circle with 6 petals around it.
2. Take a flat paint brush and add purple, pink, and white onto the brush in that order.
3. Paint one petal in a curved motion. Continue till the circle is complete.
4. Dot the flower with the darkest colour.
5. Cut out the flowers.
6. Repeat the steps with different colour gradients, aim to use a minimum one colour with white on the brush.
7. Glue the bundle of flowers together.
