WHAT MAKES IT MEANINGFUL

Crafting is a great way to release creative energy and use your imagination. Creating a craft that can show your personality and that you can share some of yourself with others is a very beautiful opportunity.

With this activity it can give you an opportunity to not only be creative in terms of arts and crafts, but also in terms of fashion. What clothes you wear currently, or the type of clothes you want to wear. It can help you discover who you are and who you want to be.

TIME

This craft would take 20-30 minutes.

MATERIALS

Include any necessary or suggested materials needed for the activity.

- Paper (\$3.50)
- scissors (\$5.00)
- Markers (\$5.00)
- A printed face of the participant (Free)

INSTRUCTIONS

Include any instructions needed:

1. Firstly cut out the shirt, pants, shoes and the face.
2. Next design and color your signature outfit, feel free to add sparkles, feathers or any other decorations.
3. Glue all the items together to make your final product.
