### WHAT MAKES IT MEANINGFUL

Being in nature, surrounded by birds, trees and other items we find in nature can be a calming way to get exercise and embrace the outdoors. This activity is meaningful as using our senses, of sight, and touch will help to re-create a ladybug that we can find on a nature walk in the park, and in our community.

### TIME

This activity would take 20-30 minutes.

### MATERIALS

Include any necessary or suggested materials needed for the activity.

- Empty egg carton (free)
- Paint
- Paper (\$3.50)
- Glue (\$4.50)
- Googly eyes (\$3.00)
- Scissors (\$5.00)

### INSTRUCTIONS

Include any instructions needed:

1. To begin cut out each individual egg carton holder, trimming them and only keeping the holder part.
2. Paint the whole thing red, and a black semi circle at the front.
3. Cut out a circle of red construction paper, and then cut the circle in half.
4. Paint a few small black circles on the red paper semi circles
