

Options Children Program

Case management services for children with developmental disabilities

PROGRAM OVERVIEW:

- We support children, youth, and their families to get the supports they require to reach their goals
- We are client and parent led in the supports and services we provide
- We work within the city of Toronto helping families access community organizations, developmental sector agencies, schools, and medical teams to support a whole person approach.

ELIGIBILITY:

- Diagnosed with a developmental/intellectual disability
- Birth to 18 years old
- Reside in Toronto region (M postal code)

WHAT TO EXPECT FROM FST OPTIONS SERVICES:

- we provide consultation
- we support with advocacy, resource referrals, and community engagement
- aftercare and counselling services

Workshops and Clinics

- Funding for camps/respite
- Service navigation
