Domestic Human Trafficking **AWAKENING**

Join us for a [FREE Zoom webinar](#) and learn about Domestic Human Trafficking.

We're going to discuss domestic human trafficking and its possible signs. Vulnerable people are at a very high risk of being trafficked. What does this mean for people who have a developmental disability?

This is your opportunity to increase awareness so we can better identify and support victims and survivors of domestic human trafficking.

Space is limited. Contact Deanna Djos at ddjos@montagesupport.ca to register.
