

Rice Krispy Treat Car

Connect**ABILITY**.ca

WHAT MAKES IT MEANINGFUL

This craft promotes the idea of playing with your food. Making your food look like something else. In our case for this activity it will be a car. It can be super exciting getting the chance to play with your food and let your imagination run wild.

TIME

This activity would take 20 minutes.

MATERIALS

- Premade or homemade rice krispy treats
- Oreos
- Frosting
- Teddy bear snacks
- lollipops

INSTRUCTIONS

1. First unpack your rice krispy treat from the packaging or make the rice krispy treats if you want the craft to take a longer time.
2. If you are using store bought rice krispy treat use that as the base of the car, if you made them from scratch cut them into small rectangles
3. With the frosting "glue the 4 Oreo cookies to each corner of the rice krispy treats, where the wheels on a car would be.
4. Add in the teddy bear snacks as passengers add as many as you want, and a lollipop for the steering wheel.

Rice Krispy Treat Car

SUPPORTS NEEDED

If you are making rice krispy from scratch some assistance might be needed in parts where it involves the stove.

OTHER THINGS TO NOTE

You can interchange most of the ingredients in this recipe based on your preferences.
