

Pipe Cleaner Snail

ConnectABILITY.ca

WHAT MAKES IT MEANINGFUL

This art craft project will work on many things such as finger dexterity and hand eye coordination. Making a little art project with your hands can be very rewarding and give a sense of accomplishment to individuals that completed it by themselves.

TIME

This activity would take 15 minutes.

MATERIALS

- Pipe Cleaners
- Googly eyes
- Glue

INSTRUCTIONS

1. Start with 2 pipe cleaners of the same color, roll the tips a little and twist the remaining pipe cleaner together.
2. About an inch away from the eyes wrap a different color pipe cleaner around the 2 original pipe cleaners to show the body of the snail.
3. Glue the googly eyes to the rolled tips of the first 2 pipe cleaners.

SUPPORTS NEEDED

Rolling the pipe cleaners does require a lot of finger dexterity and may be difficult for some people.
