

Caregiver Coffee Chats

Join us for an in-person coffee chat: a welcoming space where you can connect with others *who just get it*. Whether you're looking to share stories, ask questions or enjoy a quiet cup of coffee with others that understand, this is the place for you. Come talk about what matters to you - or talk about nothing at all. It's about community, connection and knowing you are not alone. Your well-being matters to us.

Hosted by Surrey Place's Family Advisory Council and Caregiver Peer Mentorship Program.
