

TEENS & YOUNG ADULTS INCLUSIVE ARTS-BASED WORKSHOP

Specialized for individuals with disabilities and diverse neurological & physical abilities.

This winter, Purple Carrots Drama Studio invites you to hop aboard Sleigh Ride, a journey into a land where it's always winter and never quite the holidays... until now!

Step through the wardrobe into an enchanted snowy forest, where talking creatures, hidden lamp posts, and frosty mysteries await. Each session, we'll explore a new corner of this magical world, meeting unforgettable characters, creating daring scenes, and discovering what it takes to melt the coldest of spells.

Through improvisation, movement, and collaborative storytelling, participants will discover how courage, kindness, and imagination can bring the thaw!
