

CREATIVE CIRCLE TIME: MUSIC, STORIES & GAMES

DUCK, DUCK, GOOSE

Have the children sit in a circle
Choose one child to be the “goose” and walk around the circle, gently touching each child on the head and naming them “duck” or “goose”. When child is named “goose”, he/she gets up and walks around the outside of the circle, meeting the child who touched them and giving a high five (or hug for younger children) before the original child sits back down.
