

CREATIVE CIRCLE TIME: MUSIC, STORIES & GAMES

WHEN I SAY

Teacher: When I say “red”, everyone sit down

Teacher: “blue... green... purple...**red!**”

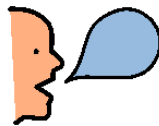

(Children should sit down when they hear the word “red”)

Teacher: When I say “hippopotamus”, everyone stand up

Teacher: “tiger... monkey... giraffe... hippopotamus!”

(Children should stand up when they hear the word “hippopotamus”)

(This is a fun way to get children to follow simple instructions and to develop their listening skills. Use whatever category or theme related words you like)
